Work Experience:

Community Advisor, Housing and Residential Services, Dekalb, IL 2019-2021

As a Community Advisor, it was my duty, to help enforce housing policies to the residents staying in the resident hall dorms. I would also help residents with their educational and social success, this was achieved by helping them find resources and hosting events for them to attend. This job also gave me interview skills, as a C.A. we would have to help conduct interviews for prospective C.A's.

Resident Hall Desk Assistant, Housing and Residential Services, Dekalb, IL 2020-2021

As a Desk Assistant, it was my job to sit at the front desk of a resident hall. I would manage packages and mail that got delivered, and I helped residents and families with questions or problems they had. I also kept track of extra housing keys and cards that residents could check out if they needed.
