Work Experience

Goodwill Industries

Aug. 2020 - Present

Textiles Processor

Dekalb, IL

- ★ As a goodwill employee my goal is to uphold the goodwill mission, which is to uplift and improve the lives of those in need and the community.
- ★ As a textiles processor, I am responsible for going through donated textiles and checking for quality before processing them and putting them out on the sales floor for customers.
- ★ I am also responsible for keeping a welcoming and clean workplace for those who visit goodwill though being kind and active in assisting customers.

Cousins Subs

Jan 2018 - Jan 2019

Sandwich Maker

Germantown, WI

- ★ My main objective at Cousins Subs was working together well with coworkers to serve customers promptly. During which we kept an upbeat attitude and quality service.
- ★ Great memorization and problem solving was necessary for the different demands in a day. Stepping in for another to help toward better service was welcomed and appreciated.
- ★ I also gained a lot of skills working independently and holding my own alongside working with coworkers to keep myself dynamic as an employee.
